

Thrapston Bowl Club

GDPR Policy Statement

- We only hold information on members of this club relevant in assisting the members to be kept informed with news relating to the sport of bowls and social events of the club, for their benefit.
- Membership runs from April to April and at renewal at that time information is reviewed as to its necessity. If membership is not renewed personal details are taken off the lists held.
- All information is given voluntarily and **never knowingly or directly** passed on to third parties.
- All members are 'friends' of the club and are treated as such. All members receive a Newsletter electronically or if they do not have access to email a hard copy.
- Any request as to the information held should be made to the committee in writing or by email and will be dealt with at the next GMC meeting and answered within 2 weeks following the meeting.
- Information is updated annually and an assumed consent given.
- Data Protection will be policed by the committee and any breaches in security of information would be investigated by the committee.
